FAST ONE

> "She bent me over the bonnet, parted my cheeks and used my juice to lube my arse"

I'm Linda, and my hubby is Carl.

We had been out for the day and decided to go for a walk up over the moor and woods when we came across a couple having the wild sex. The guy was screwing the woman very hard doggy-style, and by the noise she was making, she was enjoying it.

I put my hand in front of Carl's jeans and felt a very large bulge. He told me he was enjoying the view.

We left the couple at it and had mad sex on our own car bonnet.

Carl got up but I just laid there, in full view of anybody who was near us. Carl whispered in my ear that the couple from earlier was standing close by. I said it was only fair. We watched them, so they should watch us, but then they started walking over.

The woman asked Carl if he had finished with me. Carl said he had, and she continued to walk over to me.

Before I could say anything, she was between my legs, licking out my cum-filled pussy. She looked up and told me "You taste fucking great, nice and sweet."

I told her she was the first woman ever to do anything to me.

With that, she took my hand and put it between her legs. "Finger me," she demanded. I did as I was told, then she grabbed my hair, and pushed my head down, and told me to lick her hubby's cum out of her fanny.

She was soon cumming in my mouth, and with that I felt another orgasm of my own. I then realised it was turning me on. I could see Carl wanking along with the other guy.

She bent me over the bonnet, parted my arse cheeks and used my own juice to lube up my arsehole. I felt a cock nudging, trying to ease its was in.

I soon realised that it wasn't my husband shagging my arse, as he'd just walked round to the front of me, and put his cock in my mouth.

He soon fired his load down my throat and the guy behind me erupted inside my arse. I had the biggest orgasm of the day!

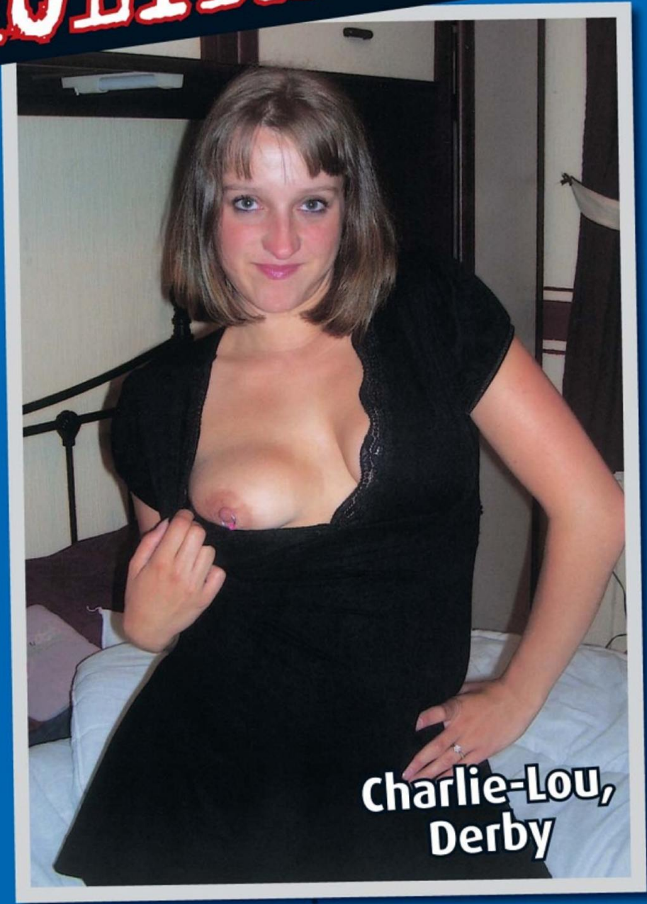
HOLIDAY HUMP



Charlie-Lou, Derby

Off we went to Lloret de Mar in Spain where we found a cheap bar and with our jugs of sex on the beach.

We were dancing and grinding to the music giving off all the right signals that we wanted a fuck that night.

It worked a treat! We had men grinding behind us, pressing their cocks against our arses. Luckily we'd pulled two mates, so we could all head off back together.

As the music got saucier, so did we, and the boys loved it! I could feel the sexual tension building, with every kiss getting harder and more intense. He was grabbing my body like he couldn't get enough.

I couldn't wait to get back and get it on till he exploded. After a few more drinks and more raunchy dancing, we were ready to go back to their place, and carry on with the night.

We got back to their villa and poured some drinks, then stepped out. They had a private swimming pool and we jumped straight in!

I felt a little nervous about getting in with no bra on in front of my friend, but it didn't take long for the shyness to disappear, as we were soon too busy with our blokes to care.

It was getting more intense with each moment, – the sensation of cold water was making my nipples erect. A perfect invite for them to be sucked and bitten.

The guy I was with got straight to it, ripped my top off, and was enjoying tugging on my nipple piercing with his teeth, whilst under the water, I had a hold of his cock.

It was huge! We were both moaning with pleasure as his hands started to explore my shaved pussy, and quickly found that my clit is pierced too. I felt his body stiffen up as he rubbed it, getting my juices flowing.

Hearing my friend and her bloke moaning drove me even wilder!

Before I knew it, I had grabbed her hand and told her that she is more than welcome to touch it. As she did, I felt her body shudder, and there was a glint of excitement in her eyes.

I didn't stop there. I couldn't help myself. I grabbed her and kissed her, pushing her hard against the edge of the pool. I took one of her gorgeous breasts in my hand.

> "I moaned with pleasure as he explored my pussy and discovered my pierced clit"

She stiffened up. I'm pretty sure she'd never experienced anything like this before, so I decided to take the chance, and show her what she's missing out on.

I moved my head to her breast, toying with her nipple with my tongue, nibbling at it.

She was moaning with pleasure, and in doing so, I got even more excited. I could hear the guys moaning too. I don't think they'd expected this either.

I wanted to see how wet she was, so I found my way to her pussy. It was shaven like mine. Just how I like it. She was very warm and wet.

As I rubbed her clit, she pulled me closer, kissing me hard, and moaning all the time. Her hands began to feel my body, taking my breast in her mouth, she started to return the favour. I began to moan.

She started rubbing my clit, so I slowly eased one, then two, then three fingers inside her. She was dripping wet. I had her juices all over my fingers.

By that point, I was hornier than hell, and I lifted her out of the pool and onto the side, spread her legs apart, and dived my face into her pussy. Within an instant, my tongue was licking, poking and tickling her fanny. Writhing and moaning in delight, this sent one of the boys over the edge, as I felt warm cum spray my back. I turned round, and the other sprayed in my mouth. I licked it all up, mixing with Emma's juices.

"Now I want some cock," I demanded, and took my bloke over to the other side of the pool. Emma had the same idea, and we both sucked off these guys in tandem. By the end of our spunk-filled evening we were knackered.

Back at the hotel Emma said she had never realised I was bi but was glad I was.

LAST ORDERS

The other morning, the pub where I work was empty, except for one guy sitting at the end of the bar, nursing a pint and slyly looking at a copy of *Escort DVD* hidden inside his newspaper.

I was horny so I leaned forward so that he could peer down my top at my pert, juicy, unfettered tits and dream of licking and sucking on them.

As I did so, I felt someone gently caress my legs. Looking down, I saw Dean the manager kneeling beside me, pretending to restock the bar. He rubbed his hands gently up and down my legs, whispering about how he loved girls in stockings and suspenders and how he wanted to wank all over them.

Dean's stroking and kissing filled my pussy with excitement and his fingers roved ever closer to my dampening minge. I was desperate to slide my hand between my legs and rub my swelling clit but Dean told me not to touch myself.

Moving around behind me, Dean pushed up my short skirt and began to lick and kiss my firm buttocks before pulling them apart and burying his tongue deep up my arsehole. I bit my lip trying to stifle my

Grease has been the word for over 35 years now and the fifties-set musical is a perennial bank holiday favourite. There's plenty of rockin' and rollin', handfuls of shiny slippery stuff applied to pussies and arses as well as hairdos, and Pink Ladies getting hot-rodded by T-Birds in copyright infringement skirting prince of parody Will Ryder's *Grease XXX*. I've seen Peach in other glossier magazines, but she looked so much more down-to-earth with less make-up and dressed casually (well, dressed to start with anyway) in the beach set in *Escort DVD* no 61. I can only imagine a week in Blackpool with her instead of the wife and three screaming kids!

She looked good enough to eat – as a Peach should!

Seeing April (*Escort DVD* no 61) use a sex doll and toys to give herself an exciting solo experience reminds me of how I do exactly the same thing. I have a very expensive realistic looking latex sex doll. She sleeps in my bed and I read *Escort*, *Escort DVD* and *Razzle* with her before fucking her. I do her in the order mouth, pussy, arse and repeat until I've creamed up her, exactly as I'd like to do with dirty little April. Or both, preferably!

moans – I didn't want to alert the guy at the end of the bar. I hadn't been arse-fucked since leaving home so when Dean thrust a couple of fingers up my bumhole, I almost orgasmed on the spot.

Sliding underneath me, Dean slowly ran his tongue up and down my pussy groove before splaying my lips apart and flicking his tongue repeatedly over my swollen clit. As he teased and tormented my pussy with his tongue and fingers, I was willing the guy at the bar to leave.

Finally, swilling down the last few dregs of his pint, he got up, covered his erection with his newspaper and hobbled over the to toilets.

As soon as he disappeared, I jumped up on the bar and pulled my skirt up, exposing my deliciously wet pussy, which Dean immediately filled with his big hard cock. Grinding myself against him, I pulled my top up and let Dean feast on my firm, juicy tits. As he licked and kissed every inch of them and nibbled on my hard nipples, I hoped that the guy in the toilet was enjoying a long, slow wank.

But even if he was wanking and watching us I didn't care – Dean was fucking my cunt to an orgasm of such intensity that my juice ran down his cock and over his heavy balls, dripping onto the floor.

Once I'd cum, I pulled away from Dean and pushed him away so that I could get off the bar and kneel before him. Grabbing his cock by the base, I slid his helmet between my lips and began to lick it while wanking his shaft and massaging his tight balls. His body tensed, every muscle intent on his orgasm, and he shot his creamy load into my mouth, giving me my first (but not my last) taste of his cum.

As I tidied myself up, the toilet door opened and the guy emerged. His jaw almost hit the floor when he ordered a fresh pint and spotted the nice pearl necklace Dean had just given me!

He downed the pint and left but he's a regular now!

PRICK-STON

"The girls really got on and enjoyed fighting over my massive cock"

Michelle, London

I was at a gig the other week at the Brixton Academy, watching some band my girlfriend is really into, and when I went to the bar this really cute bird turned to me and said, "I like your hair."

Nothing odd about that – I have hair down to my arse crack and the birds are always admiring it. It was only when she leaned forward and stuck her tongue in my mouth that I realised the good times were rolling.

I'd left my girlfriend down near the front so she had no idea how busy the bar was, but I knew I'd have to be quick if I was going to get away with it without any questions being asked.

"Come on," I said to this strange bird and, taking her by the hand, I led her out the men's bogs and into a cubicle. She didn't waste any time. Pulling open my jeans, she squatted down and immediately started sucking me off. It all happened so fast I didn't even have a boner before she took me into her mouth. But after only a couple of seconds, she had brought me to full attention.

"Mmm," she moaned as my dick grew in her mouth. "I love your cock," she said, taking me out from between her lips and slapping my helmet on her tongue. Then she pushed my cock up and out of the way so that she could gently suck one of my nuts into her mouth. This was an incredibly horny thing for her to do and once she'd taken my dick back in her mouth I came, pumping spunk right down her throat. She swallowed every last drop and finished it off by saying thank you!

"Why don't you come back to mine later?" I asked, tucking my dick back in my pants. "My girlfriend would love to meet you."

After the gig we all went home and I had an amazing threesome. The girls really got on and enjoyed fighting over my massive cock.

At one time I had both of their tongues locked on my dick while this stranger, Michelle, fingered my arse and rubbed her boobs on my leg.

Michelle drew the long straw and got to fill her face with my cum again.

When I was exhausted, having come about three times in both their cunts and mouths, I sat back and watched them kissing, stroking and finger-fucking each other.

I wish I could do this all the time, I remember thinking to myself!

Steve, South London.

VICKI & TAYLOR

TRUE SLUT

Now, we're not saying this is a historical reconstruction of Deadwood, South Dakota in 1880, but we've tried our best. We actually think cowboys lived very differently, and didn't necessarily dress in skimpy leathers, fraternising with naked, weapon-toting Indian women. But Vicki and Taylor have always had a thing for cowboys and Indians and Westerns and have fantasised about being seized by strong silent types who'd leave them walking like John Wayne. Now that's something worth reconstructing.

FUCK OFF

My wife Karen had recently complained of being bored and some members of a photographic club at work complained of a shortage of models, so I put the two in contact.

As it turned out I missed the photo shoot because I had a meeting. However, I was anxious to know what had gone on and a little turned on by the thought of it.

As soon as I walked through the front door Karen came up to me and started kissing me.

She was extremely randy and told me to lick her cunt. Nursing a big hard-on, I got on my knees and started licking her out on the sofa.

She had been posing for them, giving them a glimpse of stocking top, breast and panties. One of the guys arranged her underwear and his hand brushed against her moist knickers.

Then his hand brushed her tits as he arranged her bra. After that they took some more shots and asked her to remove her knickers.

She was getting carried away so she agreed. Soon they were all around her, manoeuvring her into different positions.

Her cunt lips were being spread, her breasts were being rubbed and her nipples were being tweaked. She felt a finger sliding inside her cunt and she started writhing and moaning with pleasure.

I licked her furiously while she told me she found herself at the centre of the group, having her cunt frigged while they stood around and wanked.

Apparently they had stopped short of intercourse but they had all wanked and shot their cum over her legs, bum and breasts.

Just as she was telling me how they had made her cum, my tongue gave her another orgasm and my mouth filled up with her pussy juice.

She has another session organised next week.

Andy, Bristol.

Karen,
Bristol

SMACK ADDICT

I work as a receptionist in one of the Heathrow airport hotels.

One afternoon I discovered there was more to my job than providing keys and room service!

We're not supposed to have relationships with the guests but I got on well with Paul, a guy in his forties in the music business.

He always used to try and ask me out to dinner, which I always refused but I became interested in him and his flattering banter.

I was re-filling the mini bar in Paul's bedroom one day when the door went and he came in, talking to a colleague on his mobile. He didn't see me as the bedroom door was only ajar.

He was talking about me! "There's this cracking pair of tits on reception, just right to put your tits between. Bit refined – needs a good fucking!"

I started to feel excited by his words and I dropped a bottle of bitter lemon.

"How much did you hear?" he asked me sternly, hanging up.

"All of it," I murmured. "The welfare of my guests is my primary concern, you know."

"Glad to hear it, Susan," he said, and lifted my skirt up over my bottom and started to rub my pussy through my tights.

I reached behind me to grab his erect prick when, BANG, I had a shock as he smacked my bottom hard.

"That's for being a tease and (SMACK) that's for eavesdropping!"

He carried on smacking me till I was laughing and he led me over to the bed.

He caressed and licked my nipples to hardness before removing his pants and straddling my chest.

His cock glistened with pre-cum as he slid it into my cleavage.

I pushed my tits together to create a warm soft wank tunnel and let him fuck my chest.

As he was about to cum he pulled away and ripped my tights off.

He massaged my clit till I was soaking wet and then pushed his prick in me up to the hilt.

A wave of pleasure shook me. He only lasted a few thrusts before he groaned and pumped his semen into me.

I knew he wasn't finished though and he turned me over to fuck me again, from behind this time.

When I had got my second load Paul pulled my skirt back down, gave me a kiss and sent me back to reception.

I sent my dirty knickers up to him with the bellboy later!

Susan, Uxbridge.

"SMACK! That's for being a tease and that's for eavesdropping!"

Susan,
Uxbridge

Don't tell Amnesty – we fancy Lizzy so much we've confined her to the Escort DVD dungeon in the hope she'd see reason and shag us. Only problem is, she seems to like it down there. "Whips, chains, leather – I'm just wanking myself silly down here. Throw away the key if you want!" Back to the drawing board...
